About This Game

Night Fly - 2D game that will give you a chance to test your nerves for strength in artful locations. You will need to carefully examine some locations in order to find a path to the exit and go through them. The game has locations that will make even hardcore fans sweat, and the locations that you will pass absolutely without straining. Thus, the whole game will be accompanied by a variety and interesting gameplay. You play as a creature whose world has been seized by dark forces for many years, and you have to return the light, thereby weakening the influence of the dark forces until they are completely destroyed.

Features:
-Pretty setting
-An unusual gameplay
-BunnyHop
-Not a standard character management system.
-Puzzle Elements
